FALL 2016 Garden & Rain Barrel Programs

NEW!

Natural Lawn Demo Day

Saturday, Oct. 1 • 9am – 12pm

**Thornton A. Sullivan Park
11405 Silver Lake Rd.**

Intimidated by lawn equipment? Don't know where to begin? Join us for an interactive day of hands-on natural lawn care. Rotate through stations where you practice aerating and thatching a lawn, calculating and applying amendments, and how to sharpen your lawn mower blades. Learn what to look for on product labels before applying it and why it is important to get a soil test done. We will have Master Gardeners on hand to share their lawn experiences and help you with your questions.

**Demo
Day
October
1st!**

Natural Lawn Care

Tuesday, Sept. 20 • 6:30pm – 8pm

**Eisenhower Middle School
10200 25th SE**

Learn how to grow a better lawn without spending a fortune on sod. Explore proven natural lawn care techniques to create a better, healthier lawn for your children and pets, while using less fertilizer, water and pesticides. Walk through the steps of mowing, watering and weed control. Moss and mole solutions will also be discussed.

Fall Gardening

Tuesday, Sept. 27 • 6:30pm – 8pm

**Eisenhower Middle School
10200 25th SE**

Did you know that fall is one of the best times to plant bulbs and other plants? Learn what other things should be on your fall gardening to-do list. What does "putting your garden to bed" really mean? Our expert will walk through pruning, mulching, dividing, and weeding. Then watch as your garden bounces back in the spring.

**Sign up for these fun, informational and FREE workshops:
Everett.eventbrite.com or Call 425-257-8992**
